One of the most memorable things of our four years in high school is our yearbook.

The publication of the yearbook, under the able sponsorship of Mr. Harold Kimball and Mr. George R. Wynn, has become one of the greatest achievements in Garfield High.

This year's yearbook staff is to be highly commended for their hard work in the sales and production of the yearbook.

The Garfield Heights Board of Education consists of five members, elected for a period of four years, from the citizens of Garfield Heights, by the registered voters. Two are elected in the year preceding, and three in the year following leap year.

A board of education member serves without pay. His duties, authority, and limitations are prescribed by the state legislature. He is without authority except when the board is in session or, when he is acting under specific instructions of the board.

One of the most important functions of the board of education is the selection of a superintendent of schools. He is the chief executive officer, and is responsible for the selection and assignment of all school employees, the business management

of the schools, the administration and supervision of the educational program, and the assignment of pupils to the various schools. His authority includes the delegation of responsibilities to other qualified employees.

Another important board of education function is the appointment of a clerk-treasurer. He is the chief correspondent and recorder for the board of education. His other responsibilities include those relative to buildings and grounds, and finances.

Our community owes a great debt of gratitude to the members of our board of education for their tremendous contribution of time, effort, and talent to a continuous program of improvement in educational opportunities for our children.

PRINCIPAL

An ancient sage once said, "To know nothing of the past, is to have little understanding of the present, and to have no conception of the future." A modern author said, "History is a bridge. It enables man to walk forward with confidence into a future inevitably different from today yet closely related to yesterday."

It occurs to me that the pages of the volumes of the Garfield Heights High School Yearbook provide a very valuable personal history of our institution which helps us to understand the present and which helps to guide us in the future. It is the same high school which began as a four-year high school in 1922, yet it is inevitably different today and will be inevitably different in the future as the program is adjusted to meet the needs of our youth in an ever changing society. The annual edition of the Yearbook is a bridge which helps us to go forward with

confidence into the future while keeping the proper perspective with the past.

This will be remembered as the year the new high school building was under construction which brought the change to a K6-3-3 type of organization and the creation of Garfield Heights Senior High School and Garfield Heights Junior High School.

Congratulations to the 1961-62 Yearbook Staff for the untiring effort to record the history of the year in attractive format.

Congratulations to the class of 1962 for your achievements thus far and best wishes for the future. Congratulations are also extended to your parents for doing their part to make your high school education possible.

"DEAR GARFIELD HIGH"

Home of our high school days
Hark to a song of praise
While we our voice raise
To Garfield High
Thou Queen of all the land.
Loyal to thee we stand
A true and faithful band
Dear Garfield High
Bright are the hours we spend

Dear is each high school friend
Sweet is the charm they lend
To Garfield High.

Kindred in heart are we
Joyous and bright and free
Joined by our love for thee
Dear Garfield High.
Though soon we all shall roam
Far from our high school home

Still shall our fancy come
Back to our high.
Shrined in our memory
Fair thou shalt ever be
Worthy our love for thee
Dear Garfield High.

Showboat '61

Plot

Muu Muu Madness, the title of this year's Showboat extravaganza, provided excellent entertainment for the appreciative audiences on the nights of November 17 and 18, 1961. The theme this year had an unusually fine plot interwoven with thirty-five acts wonderfully performed by fine, talented students from all grade levels.

This annual production, over the period of years, has become one of the highlights of the school year to which everyone looks forward. After many weeks of constant rehearsing and revisions, the butterflies mounted in the stomachs of many of the two hundred plus performers. Thanks to the capable supervision of the faculty advisor, Mr. Joseph Bongorno, the polished product came through without a flaw.

A new girl (Pat Santa Maria) arrives in town and proceeds to attract all of the eligible boys including Karl Hesselbein, Dave Thomas, and Jim Zawacki. The jilted girls (Jan Jablonski and Carolyn Zelei) plot revenge with their girl friends at a muu muu party. While listening to the latest song-belting sensation, Bucky Weaver (Pat Stratoti), they fall asleep. During the dream sequence they win a contest—first prize is a date with Bucky. As the end of the show winds up, everything is again a bed of roses and the gals get their boyfriends back.

The joint efforts of Carol Galluci and Vicki Philbrick went into the writing and directing of this fine production. The Showboat Band, under the direction of Mr. Guy Stella, provided the instrumental arrangements and music for the occasion. Mr. E. James Kitora assisted in the vocal arrangements and coaching featured soloists and singing groups while Don Day and Marlene Warner provided the piano accompaniment.

Manager of the properties was Jan Gosselin whose job it was to secure and care for stage furniture and equipment. Much of this was supplied by the cast through many willing parents. The magnificent and colorful scenery was designed, erected, and painted by the Art Production group under the able supervision of Miss Kathryn Krumhansl. Barbara Vedrin, Karen King, and Shirley and Sharon Hantak put in many hours to make the set designs a vivid reality.

The worried and frenzied excitement is now a memory of the past. Showboat '61, Muu Muu Madness, is just a memory. As years pass, this delightful vision will remain as a sharp image in the minds of all of the cast—a part of the joy and excitement that we have all found during our few short years at Garfield Heights High School.

There is only one club in our school for which you must be chosen to become a member, and which is only open to upperclassmen—this club is the National Honor Society. Students chosen must show outstanding achievement in Character, Scholarship, Leadership, and Service. Their achievement in these qualities is determined by the teachers of the school. Juniors qualifying must have maintained at least a B+ average through their first five semesters of high school; and seniors must maintain a B average through their first seven semesters of high school.

The officers of the National Honor Society this year were: Roger Grugle, President; Patricia Valencic, Vice President; Janet Gosselin, Secretary; Dave Thomas, Treasurer.

Mrs. Janet Marsh, Mr. Hugh Brock, and Mr. James Tarr served as very capable advisors of this outstanding group.

On November 16, the General Scholarship Test for High School Seniors was administered to 27,693 seniors throughout the state who rank in the upper 40% of their classes. Included in this total were fourteen Garfield Heights High School seniors who received honorable mention for their high achievement in this difficult examination.

The seniors pictured above received honorable mention certificates for their high rating in Cuyahoga County.

Seven seniors, Carl Szabo, Donna McGee, Diana Welty, Lynn Davis, Paul Janko, Audrey Baumeister, and Roger Grugle, received honorable mention in both the Kent State University District and in Cuyahoga County. They received an additional certificate for this outstanding achievement.

Three seniors, Carl Szabo, Donna McGee, and Diana Welty, received honorable mention for their outstanding accomplishment in the County, Kent State University District, and in the entire State of Ohio.

To receive a certificate in the State a student must rank in the upper 5% of all those taking the test. To rank in the District a student must be in the upper 10% of all those taking the test. To rank in the County a student must be in the upper 25% of those taking the test.

In addition to their other achievements three of our seniors, Carl Szabo, Diana Welty and Barbara Vedrin received letters of commendation for their fine achievement in the National Merit Scholarship Test.

The Garfield Mirror

ROW ONE: Fetzer, McClurg, Graham, Belsky, Borer, Prince. ROW TWO: Price, Valencic, Gosselin, Erni, Henley, Blazejewski, Shipta, Picciano, Stana, Vedrin, DiMarco, Sawyer. ROW THREE: Dobbert, Burke, Barrett.

After thirty-five years of service, the Garfield Mirror continues to provide its readers with interesting information about what's going on around school. The paper is issued each month and it offers coverage of news, sports, and features happening about the school.

This year the capable co-editors of the Mirror

were Gwenn Graham and Dick Belsky. The fine photography in the paper can be accredited to Ron Burke and Bob Barrett. Under the excellent supervision of Mr. George Wynn, the editors and staff have made the Garfield Mirror a fine paper we all look forward to reading every month.

The Council of Student Representatives

The Council of Student Representatives, under the able supervision of Mr. Clifford Foust and Mrs. Louise Conley, is composed of the president and vice-president of each class.

The council's job is to discuss the problems of the student body and bring them before the faculty advisors so that a better relationship exists between the faculty and the student body.

Chairman this year was Ken Johnson. Other members were Vicki Philbrick, Allan Kanieski, Robert Whewell, Don Day, Dale Richmond, Robert Chester, and James Kelley.

P. A. Staff

Each morning throughout the school year, four pleasant voices resounded over the public address system in each homeroom. These clear and concise announcements were delivered by Marianne Peklo, Kay Krowe, and Russ Federico. Director of this early morning ritual was Mr. Harold Kimball. Because of this group, the school was always well informed as to all events of the day.

Left to Right: Joanne Schach, Mrs. Louise Conley, Kathy Wolf, Frances Premura, Sue Schmidt.

Treasurer's Staff

Capable, responsible, and conscientious are just a few adjectives that accurately describe those girls who gave up their study halls in order to aid Mrs. Louise Conley, Assistant Principal and School Treasurer. They performed many tedious tasks such as typing forms and letters, counting and distributing various items, and running a multitude of errands around the building. One of their most important duties was assisting Mrs. Conley in the collection, counting and disbursing of monies for the thirty-eight high school accounts. Their reward was found in knowing that they filled a valuable service for Mrs. Conley and the entire school.

Office Production

Mimeograph ink, rexograph fluid, and reams of paper all became part of the daily routine for the girls in the Office Production Group. And how about the chic blue and brown smocks that they wore when running the mimeograph machine? They were really quite fashionable.

Typing tests, weekly menus, bulletins, letters, and copying materials for classroom use were also part of the duties assumed by those girls who gave up their study hall periods to perform a service so invaluable to our educational system. These girls were carefully selected by their supervisor, Mr. Ralph Subotnik.

Hallguards

ROW ONE: Waite, Kundmueller, Eastman, Iglodi, Santa Maria, Murray, Taggart, Runt. ROW TWO: Jakubinski, Kerchen, Novak, Ratica, Hartley, Kohuth, Phillips, Diebold. ROW THREE: Grattino, Hatton, Januska, Stask, Smolinski, Slifko, Zabo, Bretschneider, Lapens. ROW FOUR: Schwonek, Skoczen, Richard, Kus, Brazie, Mate, Lubinski, Ondreyka, Kraig.

Hallguards are volunteers who are trained to maintain orderly conduct and quietness in the halls at all times. They make sure that each student in the hall during class time has an approved pass from a teacher. Hallguards greet visitors with a cheerful smile and give them courteous service.

Each one of these students can be easily identi-

fied by his or her bright blue and gold arm band which is worn while on the post. Their training and supervision is the responsibility of Mr. Harold Kimball. Other members of the faculty who work closely with the Hallguards are: Mrs. Louise Conley, Mr. Adam Rogalsky and Mr. L. V. Ebenhack.

Movie Operators

ROW ONE: Grayson, Range, Renz, Zgodzinski, Zarybicki, Mr. Ralph Witter. ROW TWO: Federico, Vopy, Ziata, Root. ROW THREE: Chaffe, Nendza, Kopper, Pelka, Malyuk, Nock, Root. ROW FOUR: Mikolajski, Skala, Seminsky, Peckmen, Szucs, Hovath, Sarog.

Providing education and entertainment through a movie projector is the task given to a select group of boys under the capable supervision of Mr. Ralph Witter. In addition to their regularly assigned school duties, they render an invaluable aid to the Adult Education program and the Board of Education. Being a movie operator takes skill and pro-

ficiency in operating the equipment, and these boys deserve a big hand for the smooth functioning of this important process of learning. The group's officers for this year were President, Tim Zgodzinski; Vice President, Dick Renz; Treasurer, Rich Zarybnicky.

Office Assistants

ROW ONE: Gorecki, Caraffi, Henley, Rebic, Masina, Zakrajsek. ROW TWO: Sawicki, Wolf, Comer, Homes, DeFini, Slathe, Johns, Jakubisin. ROW THREE: Diebold, Tanski, Vohnout, Bubnick, Petalilis, Peklo, Karaffa, Januska. ROW FOUR: Kissel, Pesta, Borowy, DiMarco, Gorski, Shipta, Krupa, Schach. ROW FIVE: Watson, Vitt, Lubinski, Durdon, Zelei, Bartram, Zachary, Ondreyka, Chrulski, Schmidt.

These people were kept very busy this year as they gave up their study hall to aid and assist the Attendance Office, the General Office, or the Library. They willingly ran errands, answered phones, and helped in many other ways to keep the office running efficiently and smoothly.

Leaders

ROW ONE: Morris, Davies, Gorecki, Gosselin, Davis, Bubnick, Mantel, Hantak, Visocky, McGee, Mateos. ROW TWO: Cardamone, Fazio, Kerscher, Slathe, Ruth, Sawicki, Hanus, Silverthorn, D'Amico, Kerscher, Price, Jelaneck, Predovic. ROW THREE: Rupp, Elmy, Allie, Sawicki, Philbrick, Chrulski, Bogucki, DeMore, Lassan, Tirabassi, Cudnick, Gavel, Fenton,

Jones, Zelasko, Palshook. ROW FOUR: Miss Jean Seidel, Vereb, Wokl, Vanek, Gillinski, Hanlon, Miserdina, Gerak, Byrne, Sykora, Kostrubanic, Karaffa, Grams, Charbat, Sklenika, Philbrick, Thompkins. ROW FIVE: Horvath, Drozdowski, Schmidt, Horba, Kotol, Kormos, Kaye, Toth, Konet, Slusarz, Spaeth, Sila.

Neither rain, sleet, or snow can keep this group from arriving on the job every morning at 7 a.m. Miss Jean Seidel put her Leader's Class through their paces in early morning exercises after which these seventy-one girls learned the best playing techniques and rules of a variety of athletic games.

During the day and after school they officiated at many of the girls' games and led their own gym classes.

Sparkplugging this large group during the year were Jean Bubnick, President, and Patsy Toth, the official librarian.

Librarians

This group of students was the pride of our late librarian, Miss Victoria Mansfield. This service organization comprised of dedicated students sacrificed their study halls and free time to aid Miss Mansfield and Mrs. Joyce Bahm in a variety of library services. Their efforts and efficiency were greatly appreciated by all of the students who entered the doors to that vast collection of knowledge on the second floor—the library.

Art Production

Miss Kathryn Krumhansl and her talented group of students did much throughout the year to beautify the halls and main bulletin board with many multi-hued posters, designs, and themes. The colossal Showboat 1961 was further enhanced by the fine scenery which this industrious service group designed, built, and painted.

All students who participated in the Art Production group are to be complimented on the vital role of school life which they carried out so well.

ROW ONE: Ken LaCamera, Karen King, Grant McCallum, Barbara Vedrin, Joseph Hrobat, Sharon Hantak, Wally Sedlak.

Hostess Club

The Hostess Club under the supervision of Mrs. Vera Gladrow served at any luncheon or banquet that had been planned this year. As members of the Hostess Club these girls, working behind the scenes, have learned to prepare superb meals, economize and budget, and serve as pleasant hostesses.

This year's officers were: President, Judy Sliwinski; Vice-President, Judith Taggart; Secretary, Joanne Schach; and Treasurer, Chris Gutkowski.

Switch Board

Any person who telephones our school is greeted by a friendly salutation from the efficient students who operate the switchboard. These girls arrive at school even before many other students are awake in the morning. They give up study hall time and are frequently found on their post until 5:00 p.m.

Mr. Philip White is the capable director to whom these girls owe their successful training and direction.

ROW ONE: Robin Gorecki, Flora Kissel, Joan Franzolino. ROW TWO: Janis Nemeth, Nancy Hall, Kathy Manista, Becky Borowy. ROW THREE: Jollan Durdon, Sandy Vitt, Joyce Chruski, Janet Mantel.

Future Nurses Club

A keen desire in the field of nursing is the major prerequisite for those girls who joined the Future Nurses Club this year. To back up this desire, the girls were able to take field trips to nursing schools and hospitals so that they may better appreciate the great need for nurses in the future.

Mrs. Phyllis Hummel, Dean of Girls, was the faculty advisor. This year's officers were: President, Louise Sawyer; and Secretary, Jean Hageman.

G. A. A. Club

The Girls Athletic Association, under the leadership of Miss Jean Seidel with the aid of Mrs. Peggy Brooks and Mrs. Terry McDaniel, was established to encourage girls to actively participate in athletics and sponsor all athletic activities for the girls in G.H.S. This club provides the girls with an opportunity to test their athletic skills and develop good sportsmanship.

Their intramural program, in which many girls participate, has the pleasure of rewarding outstanding members with a numeral, letter, and the honor of having their name placed on the Honor Role. Through the years, G.A.A. has also performed many other services for the student body. High on the list of social events for the year were G.A.A. Date Night, the annual Soccer Supper, and the tumbling tournament.

Future Teachers

The Future Teachers Club is open to all girls at G.H.H.S. who are interested in teaching as a career. This club gives girls some basic fundamentals in teaching. The officers of this club are: President, Carolyn Carson; Vice President, Helen Watson; Secretary, Agnes Jelinek; Treasurer, Cyndy Ward; Publicity Chairman, Donna Koplan. Mrs. Ann Norwich was the capable faculty advisor.

Yearbook Sales Staff

Without the aid of these super salesmen, the 1962 Yearbook would not be as large as it is. They pounded the pavement and called on the business community to solicit many of the patrons and advertisers that are so vital in helping finance the book you are now reading and enjoying. The part that they played was very important and greatly appreciated by the editors and staff of this year's G.H.H.S. Yearbook.

ROW ONE: Sharon Hantak, Toni Sicurezza, Bonnie Petallis, Darlene Hattan, Clare Mateos. ROW TWO: George Novak, Jim Schwonek, Rich Klonowski, Ray Rozak.

J. C. W. A.

The Junior Council on World Affairs brought many of the problems of the world closer to its membership through the many interesting people who lectured to this group during this school year. Highlighting the varied activities of the group was the participation in the Mock United Nations Assembly, an annual meeting of all councils in the Greater Cleveland Area. The hard working sponsors behind the group were Miss Norma Wilker and Mrs. Ruth Bretschneider.

Major office holders in the organization were: President, Russell McClurg; Vice President, Gregory Grover; Secretary, Carol Mikitta; and Treasurer, Sandra Stana.

Y-Teens

Y-Teens, which is one of the best clubs in our school, is very well-known for its activities and social functions throughout the year.

Under the capable leadership of Mrs. McGaughy, Miss Mooney, Mr. Peck and Mrs. Detering the Y-Teens Club holds many social functions during the year. Among the more important events are the King's Assembly and Dance, the Twirp "Can-Can" Dance and the Christmas Caroling at the State Hospital. However, we can't forget their swim party, Easter project, or their Ivory Soap Kittens.

Yes, the Y-Teens Club of the 1961-1962 school year won't easily be forgotten by the Garfield students.

Ushers Club

During many assemblies, while students file into the auditorium, the members of the Ushers Club distributed programs and saw to it that students quickly found their places. They also were present at functions outside of school time, such as Showboat, Christmas Concerts, and the Spring Concert at which time they acted as hostesses for our school. For this service above and beyond the call of duty, their sponsors, Mr. Frank Trella, and Mr. L. V. Ebenhack, awarded points toward their school letter.

At the helm of this organization were: Alberta Sorm, President; Sue Presti, Vice-President; Carol Bogucki, Secretary; and Elaine Fejer, Treasurer.

Canteen

If you like to go to dances, you can be sure there will be a dance at least once a month. The Canteen Club has a dance once a month during the school year and during the summer time. Their dances range from record hops and dressy dances to sport dances. The largest event given during the year is the Inaugural Ball, in which the new officers are installed. The officers this year are: President, Janet Milsinovic; Vice-President, Bert Moyer; Secretary, Sue Schmidt; Treasurer, Renee Horvath; Publicity Chairmen, Khristine Barnick, and Marianne Peklo.

ROW ONE: Kathy Wolf, Joanne Schach, Pat Prochaska, Janis Sprengal. ROW TWO: Annette Ruth, Cyndy Ward, Francine Premura, Marianne Fazio. ROW THREE: Marlene Lasik, Pat Toth, Joan Ondreyka, Sue Schmidt.

Magazine Campaign

What would November and December be without the Magazine Campaign? Ask the girls who manage it so effectively and the students who compete for its rewards. This group of girls handled the accounting and distribution of stuffed animals with the ease and know-how of pros. While our high school is transformed into a miniature business, these girls are our top executives. Mrs. Louise Conley with her chief assistants Kathy Wolf and Francine Premura lead this drive to success.

Business Girls Club

A large group of girls interested in a business career were active members of the Business Girls Club. At many of their meetings they were addressed by representatives of many companies in the area. And not to overlook the social aspect of the group, they sponsored a gala affair, The Mardi Gras Dance in March.

The success of the organization, under the faculty sponsorship of Miss Anne Neville, can be attributed to its entire membership and especially the cabinet of officers for the past year: Evelyn Lassan, president; Arlene Lubinski, vice-president.

SEATED: Janet Vohnout and Sue Caraffi. STANDING: Kathy Wolf, Cathy Silverthorn, Lorraine Diebold.

Yearbook Auditing Staff

One of the large, time-consuming jobs behind the scenes on the 1962 yearbook is that of handling the financial aspects. In addition to their regular assignments, these students handled most of the accounting for the yearbook sales and distributed yearbook cards to the underclassmen. They found, naturally, that counting the incoming money was the most pleasant experience of their task.

The Activities Band is a select group of musicians chosen from the Varsity Band. It is sometimes referred to as the Pep Band, because of its use in arousing school spirit at our athletic rallies. Other functions at which this organization plays are all school assemblies and commencement. The 1961-1962 Activities Band has proven to be very capable and has added a great deal to our programs this year.

Dance Band

ROW ONE: Janko, Lee, Sokolski, Barlow, Cichocki, Day. ROW TWO: Zaremba, Sheffler, Marene, Takacs, Davies, Agriesti, Mr. Guy Stella. ROW THREE: Moyer, Kuse.

The Dance Band is a select group of musicians which plays at many of the school dances and during school assemblies. Within this group we have various "combos" that are featured throughout the year. Other performances are the band concert, concert dance, showboat, and P.T.A. activities. The Dance Band has always played a large part in the instrumental programs here at Garfield Heights High and has taken up the "slack" where our larger group cannot perform.

mas caroling throughout the community are just a few of the activities in which the choir participated. Their hard work and many long hours of preparation for each of their appearances were well rewarded by the wonderful reception on the part of the student body.

This year's choir consisted of eighty-four members, the largest number the choir has ever had. Members ranged from freshmen to seniors. The choir was very fortunate to have Mr. E. James Kotora as the new head of the Vocal Music Department. He has been a part of the reason for the big success that this group has enjoyed this year.

Singing for the Queen's Assembly, the Christmas Concert, Spring Concert, and the traditional Christ-

Officers of the choir were: President, Dave Thomas; Vice President, Jan Jablonski; Secretary-Treasurer, Maggie Kus; Robe Chairman, Len Bolcak.

Triple Trio

At the beginning of each school year try-outs are held to choose nine girls who are known as the Triple Trio. Those who were chosen to sing together this year were: altos — Jan Jablonski, Vicki Philbrick and Jane Saus; second soprano — Barbara Tokarski, Liz Pavlik, and Noreen Siekmeyer; first soprano — Darlene Soltys, Carol Gallucci, and Viv Bryant.

All students had an opportunity to hear the end results of their hard work and practice when they performed at various assemblies and other programs throughout the year. Mr. Kotora, their director, has a right to be proud of this wonderful singing combination.

Glee Club

ROW ONE: Long, Fracasso, Gillespie, Pasteur, Ayres, Baron, Lewis, Anderson, Lasik, Dunn, Repick, Phichta, Colbert, Bueme, Sicur-ezza, Crimalde. Entertainment was the key note to the success of this year's Glee Club. On many occasions the all-girl group performed for the student body and special concerts under the direction of Mr. E. James Kitora. Their contribution toward the appreciation of fine music shall long be remembered.

G.H.H.S. Orchestra

ROW ONE: Horvath, Lovasz, Moyer, Furness, Day, Davis, Na-dowski, Miles. ROW TWO: Janko, Barlo, Cichocki, Gorski, Wilson, Bezdek, Epifano, Skolney, Trende, Gaillard, Serett, Mr. Stella, Mik-

kitta, Janko. ROW THREE: Marini, Davies, Zaremba, Soukup, Sila. ROW FOUR: Kuse.

Development of unusually fine sound was the goal of this selected group of instrumentalists. Performing under the baton of its conductor, Mr. Guy Stella, the Orchestra was heard at special assemblies, the Spring Festival of Music, and the 1962 Commencement exercises.

Varsity Concert Band

As in past years, the Garfield Heights High School Varsity Band is a source of pride and pleasure for the entire school. This group is known throughout the state for its great half-time performances and its fine concert band. Whether performing various intricacies for the football half-time shows or assembling for concert work you can be sure that the band will always present a well rehearsed, good sounding program. Much of this polish can be attributed to long hours of practice with their fine director, Mr. Guy Stella.

The band took part this year in the bi-annual Tri-Band Concert along with Bedford and Maple Heights, which was held at our school. With the feather of successful performances fluttering in their caps, they are a band of which we can be very proud.

Drum Majorettes

Under the excellent direction of Mr. Guy Stella the majorettes of 1961-1962 will long be remembered for their outstanding accomplishments. Not only did they do an excellent job of twirling and strutting at all half time shows during football season, but also through participation in regional and State Contests. The girls have won four large trophies which were presented to the school this year.

The girls deserve a lot of credit for their hard work and splendid job boosting school spirit.

The 1961 football season was full of ups and downs for the Garfield Heights Bulldogs. In a season filled with surprises and disappointments, the Bulldogs compiled an over-all 5-5 record while their conference play of 3 wins and 2 losses put them in third place in the Greater Cleveland Conference.

Highly rated before the season began, the squad lost the first three games before tasting victory. As partial compensation for these losses, however, the varsity boys turned in a 10-0 win over a powerful Shaw team and a 32-0 trouncing over a mighty Shaker Heights team.

The most impressive individual performances were turned in by Art Zachary and Jim Skoczen. Both of these boys were named as Press Stars. Zachary was further honored by being named to the

Cleveland Press All-Scholastic team for the second consecutive year. The performances of these players as well as all of the others on the squad made the 1961 football season a thrilling one.

Varsity Cheerleaders

ROW ONE: Joan Ondreyka, Bonnie Petallis, Annette Ruth, Kathy Wolf, Genny Sawicki, Michael Chester.

GO BULLDOGS GO are but three of the important words that the cheerleaders yell throughout the school year. Their pep and enthusiasm gives the boosters of our school the spirit needed to go out and cheer our teams on to victory.

Under the capable supervision of Mr. William

Hoffman and the able assistance of Kathy Wolf, peppy Varsity Cheering Squad's captain, they keep the spirit of our school at its usual best.

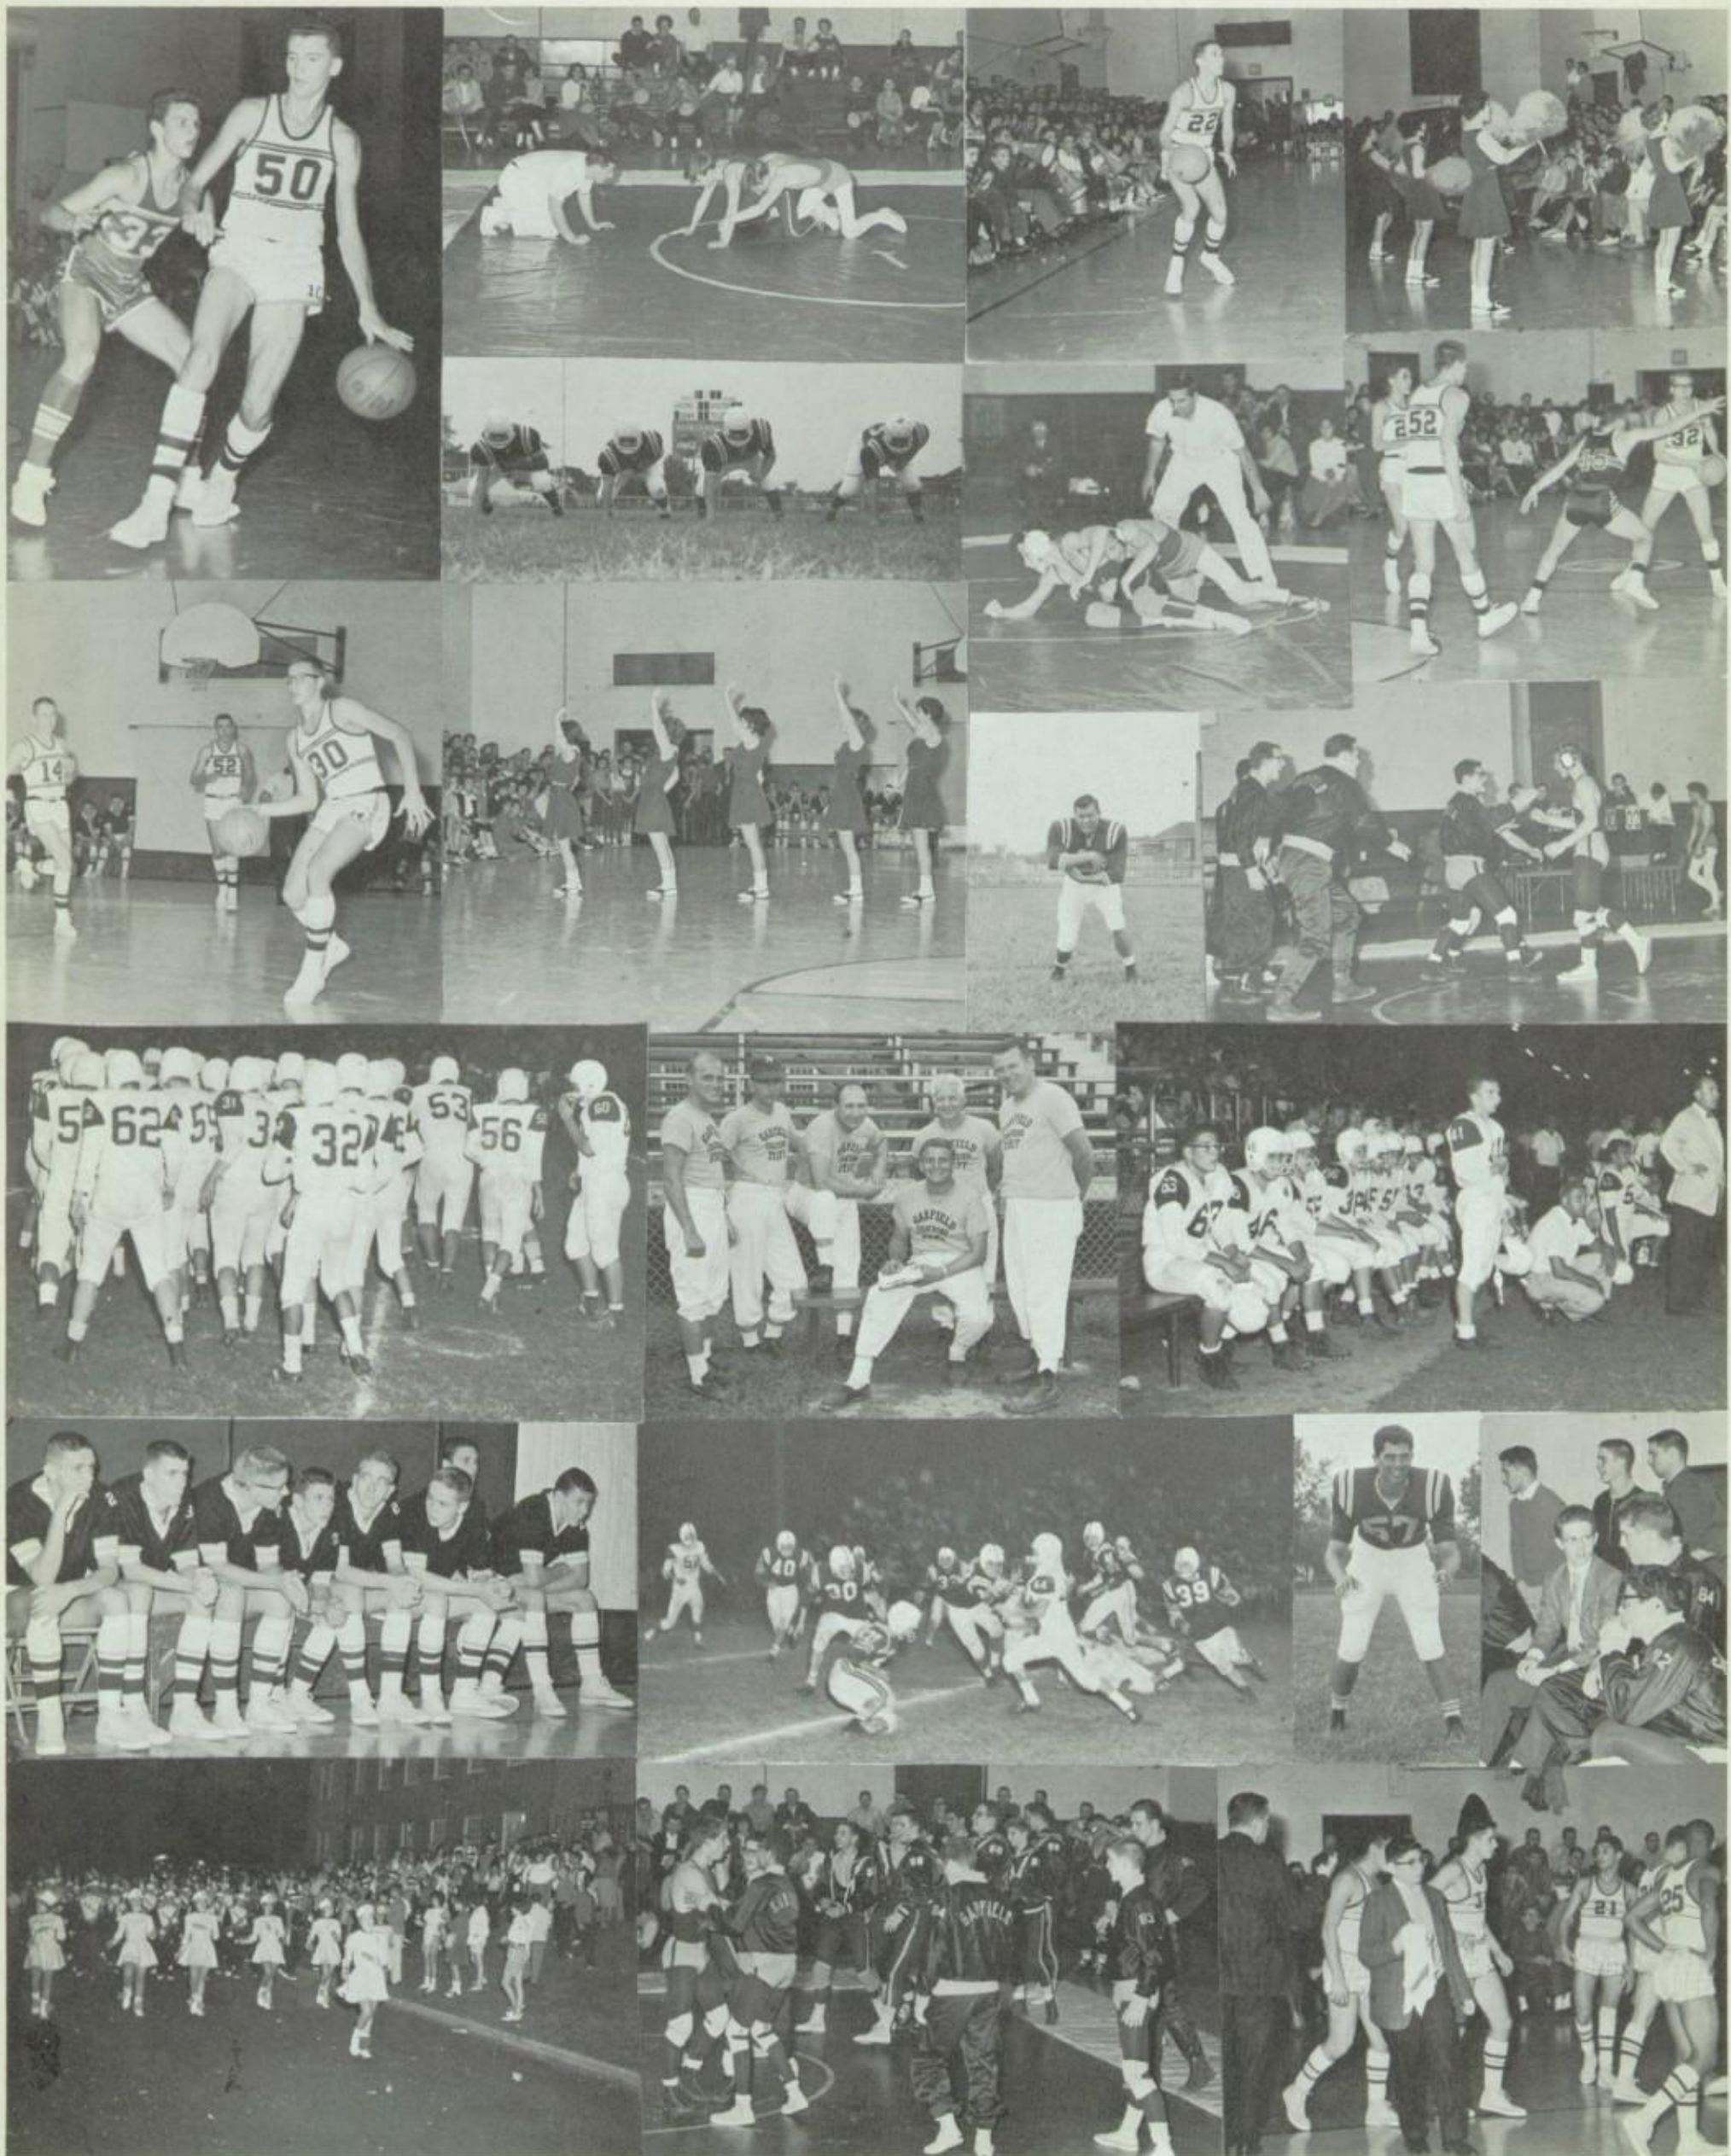

In addition to promoting good sportsmanship and fair play the cheerleaders sponsored their annual dance, "Bulldog Frolic."

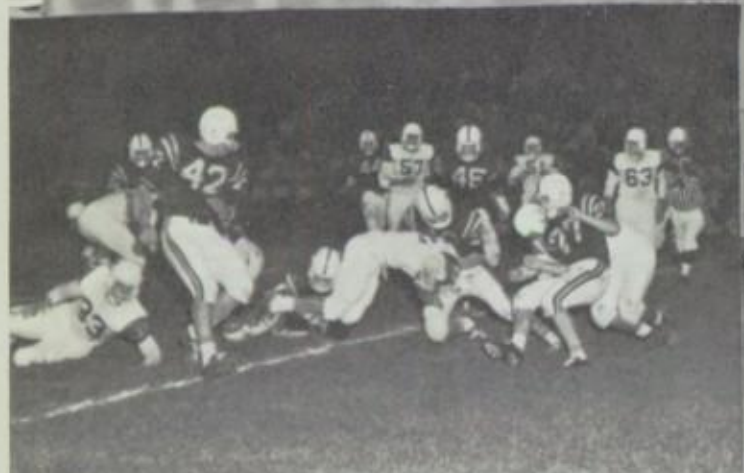

Junior Varsity Cheerleaders

Junior Varsity sports receive the backing of the student body. The task of maintaining this important spirit, however, belongs to the pert young girls known as the Junior Varsity Cheerleaders. From late summer until spring these girls work conscientiously toward maintaining keen interest and enthusiasm. Under the fine supervision of Mr. William Hoffman, they have achieved their success this year.

ROW ONE: Vivian Bryant, Janis Hartley, Karen Gavel, Sue Predovic, Ginny Charbat, Janis Sprengle.

As defending champions of the Greater Cleveland Conference, the Garfield Heights Varsity Basketball Team gained a portion of the title this year. This is the fourth consecutive year that the Bulldogs either unanimously gained or shared the conference title. Placing in a three-way deadlock for the 1962 season with Garfield were Eastlake North and Berea. The team posted an 8-2 conference record while they showed a 15-6 mark in overall competition.

The Bulldogs began slowly during the first half of the season with a 5-4 record. Utilizing a smooth-working offense, built around center Art Zachary, the Bulldog cagers rolled up a total of ten victories in their final twelve games.

Outstanding individual performances were put in by Art Zachary and Al Kanieski. Zachary did an outstanding job in rebounding as he led the team in clearing the backboards. Kanieski paced the team in total scoring. Congratulations go to these two players, the entire squad, and Coach Carl McColloch for keeping a portion of the G.C.C. crown at Garfield Heights High School.

The Wrestling Team showed plenty of desire and ability as they rolled up a 5-3-1 record for the 1961-62 season. The Bulldogs 2-2-1 conference record gave them a third position in the conference standings. Jim Zawacki, Dick Lee, Rich Juby, Sal Beninato, and Dave Range led the way as the team defeated conference opponents Brush and Berea, while their match with Bedford ended in a 17-17 deadlock.

After the regular season the team participated in the district and state meets. The squad made a fine showing in the district, finishing third. Three boys, Sal Beninato, Dick Lee, and Rich Juby, qualified to represent Garfield in the Ohio State Meet at Columbus. Beninato made it to the finals before being defeated, thus placing fourth in the state.

Congratulations to these boys and the others on the squad for their fine performances throughout the year.

Hard work paid off for the Junior Varsity boys who learned the fundamentals through a very difficult season. Coach Brickman, disappointed at the 3-6 record, was pleased with the way the team developed under

the assistance of co-captains Mike Remesh and Al Chuppa. It must be remembered that these boys still have one or two more years left to play for the varsity team.

J. V. Basketball

Overpowered by several opponents, the Junior Varsity Basketball Team turned in a record of 6 wins and 12 losses for the 1961-62 season. Coach Andy Knazek taught his team that there is victory in defeat since his boys finished the season with a great deal more knowledge of the game than when they started. At the helm of the team was its captain, Jim Korpowski.

J. V. Wrestling

The future stars of the Varsity Wrestling squad are to be found in this effective group under the fine coaching of Mr. Leonard Brickman. Plagued by inexperience at the onset of the season, the Junior Varsity grapplers turned in an unimpressive 1-6-1 record. With one year's experience under their belts, these boys are looking forward to another season next year.

Frosh Basketball

After a slow start, the Bullpups came through the 1961 season in fine fashion. Coaches Chuck Satava and Don Chalker saw their team compile a 3-2-1 record. The team honored its outstanding player, Bob Whewell, by electing him team captain.

Packed with plenty of talent and scoring power, the 1961-62 Frosh Basketball Team roared through their season with a 10-0 record. Coach Satava and his boys were elated with the highly impressive scores that they rolled up game after game.

In the scoring department team captain, Marvin Anderson, finished with an average of just under 15 points. Jim Graber and Bob Whewell finished second and third respectively. The Bullpups averaged 36.8 points per game while their opponents averaged 25.2 points per game. Great things will be expected from this outstanding team during their next three years of basketball.

Varsity Track

The 1961 season represented the 5th year of Cross-Country here at Garfield, and each season finds an increased interest and participation in this grueling sport. This year's team, under Coach Jim Hartman, had quite a bit of success in dual meets and finished 4th in the conference meet, out of 6 teams. Captain Paul Steels was the outstanding runner of this year's squad, and some of the other fine runners included Dave Range, Ron Gombas, Bill Gibbons, and Ed Perko.

ROW ONE: Coach James Hartman, Sika, Federico, Davis, Tirabassi, Finn, Range. ROW TWO: Everiss, Perko, Gibbons, Kostyack, Gurtz. ROW THREE: Chaffee, Chrulski, Steels, Clarke, Spraggins.

Varsity Baseball

Displaying an unusually excellent freshman and sophomore crop, but suffering from a serious lack of experience, the 1961 edition of the Baseball Team compiled a 4-11 record. Although this record is not impressive, there is quite a bit of hope for the future as the many freshmen and sophomores showed outstanding promise, and only 5 seniors are leaving the team.

Leading the team in the pitching department were Dick Lee, Jim Korpowski, and Jerry Sokalski, while Jeff Kraig, Ron Davis, and Korpowski supplied the batting punch.

ROW ONE: Kowalski, Lewis, Gualiotto, Kruszewski, Petrovich, Sokalski, Kostyack. ROW TWO: Palagyi, Fauser, Grugle, Kraig, Tausch, Beatty. ROW THREE: Nowak, Remesch, Verba, Korpowski, Davis, Lewis, Davies. ROW FOUR: Coach Carl McCulloch, Kaczor, Lee, Vincent, Kowalczyk.

Cross Country

ROW ONE: Latessa, Marini, Fazio, Dyndur, Salupo, Roodhouse, Waryas, Nagy, Guzowski, Skoczen, Treadon, Belsky, Slifko, Zielaskiewicz, Holy, Devan, Novello, Gombas, Golembiewski, Moracz, Gurtz, Coach William Morris. ROW TWO: Coach John Kurimski, Albright, Spraggins, Chrulski, Suztak, Augustyn, Savorosky, Gib-

bons, Clark, Steels. ROW THREE: Bretschneider, Bujnocki, Barnhard, Dlugos, Metti, Anderson, Bluso, Zalenski, Range, Rose. ROW FOUR: Dobbert, Lutar, Wiktorowski, Zachary, Kuntz, Discenza, Tackas, Barret.

Since early in March the hard-working boys on the Track Team practiced and got in condition for the long season ahead of them. This work was rewarded with impressive performances during the 1961 season, under the direction of Coaches Bill Morris and John Kurimski. The team's most impressive outing came during a tri-meet with Shaw and Eastlake North

which they won, while they finished fourth in the Conference meet.

Some of the outstanding trackmen during the season were: Sprinters — Jim Tackas, Ron Salupo, Ron Metti, and Roy Anderson; Distance — Paul Steels and Bill Gibbons; Hurdles — Bob Barnhard, Tom Treadon, and Al Kuntz; Field Events — Ron Metti, Art Zachary, John Discenza, and Tom Dlugos.

"Our Faculty"

For the past four years we, the seniors of Garfield Heights High, have been guided, sometimes coaxed, along the path of knowledge. Our faculty has been the most important contributing factor toward our success in future life. American education is providing more and more for student participation in the classroom, in planning programs of studies, and in school entertainment. Our teachers have been more interested in developing character in their students than educators have ever been. We hope that they may continue to inspire students and that those students may have the courage and ability to apply the principles and ideals of American democracy teachers have instilled in them. We, the seniors of Garfield Heights High, sincerely thank our faculty.

"IN MEMORIAM"

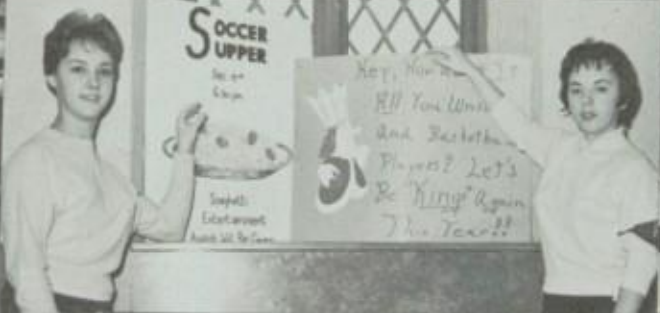

Miss Victoria Mansfield, the efficient librarian of Garfield Heights High School, passed away very unexpectedly Friday evening, January 12, 1962, on the way to Marymount Hospital after becoming ill while downtown to attend a meeting of the Women's City Club.

She came to Garfield Heights High School in 1922 before our present high school was constructed, and the first year a four-year high school was in operation. She was serving her 40th year in this institution. She served as a teacher of English, a subject in which she was considered an authority, and for many years was the head of that department, while serving as head librarian at the same time. Miss Mansfield was the only librarian Garfield High had ever had. For the past several years she devoted her full time to the library, serving students and faculty with untiring devotion in the interest of keeping education up-to-date and alive so that every class of students would be best prepared for the world in which they would find themselves.

Her friendship and understanding, and her unselfish devotion to the welfare of others made a fundamental and lasting contribution to our high school and to our community. She will be fondly remembered and greatly missed by her many faculty friends, students and all those who knew her.

Yearbook Editors

Co-ordinating all of the efforts of the Yearbook Staff is the responsibility of the efficient editors, Marianne Peklo, Sondra Bartram, and Kay Krowe. Their efforts, which began late last summer under the direction of Mr. Harold Kimball, have paid off in the reward of producing the largest annual in our school's history, not to mention the fact that it is one of the best.

Planning the financing, pictures, articles, and Senior activities as well as projecting the results of the final product kept these girls busy during hundreds of hours of their free time. These busy executives are to be commended on their fine work.

Seated: Sondra Bartram and Marianne Peklo. Standing: Mr. Harold Kimball and Kay Krowe.

Mercedes Zakrajsek, Mr. Clifford Foust, Mrs. Phyllis Hummel, Barbara Tokarski.

The Deans

As the population of our school increased sharply this year, so did the many problems that arose in the Attendance Office, the official habitat of our deans. Issuing absence slips are but a small part of the many duties of the effective duo of Mr. Clifford Foust, Dean of Boys, and Mrs. Phyllis Hummel, Dean of Girls.

Throughout the school year our deans listened to, and helped solve, many personal problems when students sought them out for sound and sage advice. They have certainly added to the wonderful atmosphere in the halls and classrooms.

The Guidance Department

A vital part of any student's high school career is the planning for his future role in life after graduation. Miss Mary Kerr, Director of Guidance, assures all students in the entire school system of the fact that we have one of the finest guidance groups to serve just that purpose. Aiding her in carrying out the intensive program of college and vocational guidance this year were Miss Alice Kuzius and Mr. James Hartman.

The fruits of their labor became evident to students during preregistration, college conferences, vocational testing, Senior Career Day, and a host of other group and individual conferences which they provided for all grade levels.

Miss Mary Kerr, Miss Alice Kuzius, and Mr. James Hartman.

Gwenn Graham, Dick Belsky, Mr. George Wynn

Mirror Editors

Nine deadlines each year are met by the two very capable editors of the Garfield Mirror, Gwenn Graham and Dick Belsky. Assigning articles, rewriting and editing them, arranging for pictures to be taken, trips to the printer's, proofing and pasting up copy are just a few of the problems that they must meet each month.

During their sixth period, after school, and on week-ends Dick and Gwenn put in countless hours with their faculty advisor, Mr. George Wynn, to assure that the students are provided with one of the finest newspapers in the area. This fact is borne out by the high ratings which our newspaper has received from the Cleveland Press Institute, National Scholastic Press Association, and Columbia Scholastic Press Association.

Through the efforts of the editors and their advisor, the Mirror has been revised and expanded substantially to include more and more news about our school and community. Students fully appreciate the devoted efforts of this group, and the service which they provide for the school.

Spanish Club Cabinet

This newly organized club is under the sponsorship of Mrs. Lois Addison and Miss Joan Hirschfield. Interesting discussions and Spanish films highlighted the meetings that this group held throughout the year. Officers were: President, Clara Mateos; Vice President, Russell McClurg; Secretary, Barbara Padrlick; Treasurer, Elaine Jelinek.

Latin Club Cabinet

Roman festivities and membership in the Junior Classical League of the United States were just a few of the accomplishments of this year's Latin Club. This group was newly reorganized under the leadership of Mrs. Inez Wilson and Mr. Leonard Brickman. Officials of the organization were: President, Bruce King; Secretary, Charles Hankey; Treasurer, Kathy Wilson.

Bowling Team

FRONT ROW: Diane Senderak, Maria Messina, Joanne Schach. BACK ROW: Maggie Kus and Sandy Vitt.

Girls certainly cannot be counted out when it comes to winning trophies for championship performance. These girls, representing Garfield High School, placed first in the County Bowling Tournament after outpointing fifteen other teams. The reward was eight trophies, one of which is now a part of our large trophy collection.

A special trophy was awarded to the outstanding girl bowler in the county. Maggie Kus, with a 190 score, qualified for that honor. Congratulations to the outstanding bowling team of the 1961-62 season.

Science Club Cabinet

Those students vitally interested in the wonders of science participated in the activities of the Science Club. Officers and sponsor are: SEATED: Richard Malyuk and Dennis Kopper. STANDING: Mr. Paul Pira, advisor; Cheryl Uridel, and John Kovalick.

March along to win the fray

As they gaily swing along
And the answering heavens echo to their

Raise her colors old
Onward pressing — ever onward
For the Blue and Gold.

Science Day Exhibit

The Fifteenth Annual Science Day Exhibit held at Garfield Heights High School Friday, March 9th turned out to be one of the most successful ever. Over eight hundred people attended — virtually jamming the high school cafeteria to capacity.

These science exhibits, formerly known as science fairs were inaugurated fifteen years ago by Mr. Herman Woods — former chemistry teacher and head of the science department. Mr. Woods is now retired and residing in Berea, Ohio. Garfield Heights High School was one of the first schools to hold science fairs, and the idea has since spread to

high schools throughout the United States.

Some two hundred students prepared projects for this year's exhibition. Four ratings are given—superior, excellent, good, and satisfactory. The science department would like to list all of the students' names and the awards that they received but conservation of space restricts citations to superior, excellent, and good award only.

Mr. Edward MacArthur, head of the science department, was assisted in the Science Exhibit by other members of the science department, Mr. Horward, Miss Manno, Mr. Pira and Mr. Rogalsky.
